Welcome

I hope you all had a restful and enjoyable half-term break.

This term is always a busy one as we head towards the festive season, please keep an eye out for dates of upcoming events.

Our focus will be on maintaining a calm and structured environment to support the children's wellbeing, while also embracing the magic that this time of year brings.

This term our book is…

Curriculum

Literacy – Throughout November, we will be reading 10 Minutes to Bed, Little Monster. In December, we will move on to a Christmas-themed story. Communication boards and symbols will be used alongside sensory stimuli to support commenting on and requesting items throughout these stories.

Mathematics – We will be exploring different shapes through a range of practical and engaging activities.

Sensory and Physical – We are introducing TACPAC, a structured sensory communication approach that combines specially curated music with gentle, therapeutic touch using textured objects. This helps to stimulate multiple senses and promote communication, interaction, and relaxation.

We will also continue our PE sessions with Coach Sam, alongside our regular Art and Cookery lessons.

Whole School Diary Dates

Please refer to the attached document detailing Whole School Diary Dates.

Food and Nutrition – Please log into your ParentPay account where a payment item has been raised. We would appreciate it if you could make a voluntary contribution.
