Welcome

We hope everyone had a lovely half-term with some spooky Halloween fun! We are looking forward to another exciting term in Sycamore full of new learning, experiences and achievements. We are also excited to have Ola teaching on Monday, Tuesday and Friday.

Curriculum

In English this term, our class story is A Poem for Every Season by Enid Blyton. During these lessons we will use colourful semantics to help us write poetry based on different holidays.

During Maths, our focus will be on measurement. We will be looking at different units of measure with the continuation of our exciting, messy maths lessons the 'Sycamore Café'!

We will continue working with Dave in Forest School, building our outdoor skills in teambuilding. We will also be working on our Christmas performance piece with Chloe in our dance sessions. Through PE we will be looking at the skills required for football including passing, movement styles and ball skills.

We will also have Science where we will be looking at the seasonal changes and what this does to the environment around us.

Whole School Diary Dates
