

Lateral Flow testing

The lateral flow Covid-19 testing for staff and all secondary aged pupils has continued this week. If your child is of secondary school age (Yr 7 -14) please complete the online permission form that was emailed home last week.

Teaching the Teachers

Willoughby were invited by the Keystone Teaching School based at Bourne Westfield to deliver an online tutorial to a group of seventeen trainee primary school teachers. The two-hour session, had a title of Special Educational Needs which was delivered by HLTA Katherine and Deputy Headteacher Vicki. The tutorial covered many topics within SEND including specials schools, EHCPs, medical care and assessment of learning – to name just a few. Thank you to Katherine and Vicki for delivering the session and to Keystone for inviting us to take part. Katherine and Vicki will be delivering a similar session to trainee secondary school teachers based at The Deepings School.

Thank you Waterside

Thank you to Waterside Garden Centre, for their donation of vegetable and flower seeds. With the arrival of new stock, the centre has kindly given us packets of seeds that will be planted soon.

Work Placement

Last week Ben, from Indigo class began his six-week work placement as a window cleaner. Ben did a fantastic job cleaning the Independence room windows. We look forward to watching Ben progress and seeing our school windows shine!

Star of the Week - Congratulations to the following pupils who have been awarded Star of the Week.

Pupil	Class	Reason
Edward Alfie	Purple	For making fruit kebabs. For fantastic literacy and maths work sessions.
