

### Welcome back to Willoughby

This week we have welcomed back many more members of the Willoughby community, both pupils and staff. The School has been operating in 'bubbles' with each class, based in their own classroom, with staggered break and lunchtimes, therefore minimising the mixing of staff and pupils. If you would like your son/daughter to return to Willoughby, please contact Nina Prowting via email; [ninaprowting@willoughbyschool.com](mailto:ninaprowting@willoughbyschool.com) to arrange this.

Next week you will receive your child's school report, which has been based upon the Autumn and Spring Terms of this academic year. It will be sent via email. Please acknowledge receipt of the report and we welcome your feedback. If you would like to discuss your child's report with the class teacher please email Clare Taylor; [claretaylor@willoughbyschool.com](mailto:claretaylor@willoughbyschool.com) who will arrange a telephone conversation.

### Archaeological dig at Willoughby

During May, we welcomed a team of archaeologists onto site. They have been busy working in the paddock area of Willoughby grounds and have unearthed some interesting items, perhaps dating back to the Roman times. Picture of their discoveries are below.

### Yellow class create sarcophagus

This term pupils in Yellow class are learning about ancient Egypt. Pupils drew around themselves to make their own 'sarcophagus'. Pupils enjoyed this fun class-based activity and have displayed them outside of the classroom for all to see.
