

Rocket Launch

Pupils in Purple class are enjoying their rocket topic this term. They have been very busy conducting lots of experiments, including using a bike pump to explore how air can push objects. The class watched a NASA shuttle launch and then tried to launch their own stomp rockets.

Year 9 and Year 10 - NHS Vaccinations, booster for meningitis and septicaemia

This week parents of Year 9 and Year 10 pupils were sent an NHS vaccination letter. Please follow the instructions detailed in the letter to provide on line consent for your child to have the booster. The vaccinations will take place in school on **Thursday 4th March**. If you have any queries please contact the Lincolnshire Healthcare Team directly on 01522 572950.

Online safety

It is always important to consider online safety for our children, now more than ever. We are spending increasing amounts of time at home and naturally that means ourselves and our children are spending more time on the internet. Please see the document attached with this newsletter titled Online Safety, 10 tips to keeping your children safe online.

Orange Class

Orange class have weekly movement to music lessons. In the lesson pupils are encouraged to explore and keep time with the music. This is modelled by staff using tap tap sticks, ribbons, pom poms, bells and sometimes marching. The picture shows Hannah and Matthew keeping in time to a piece of music using tap tap sticks.

SibLinks

SibLinks is a new support group for siblings of disabled children. The group are running a drawing competition inviting all siblings of a disabled child to enter the drawing competition regardless of age or ability. The closing date for entry is Friday 26th February, with the winner being announced on Sunday 28th February. The prize is an art hamper and the winner's picture will be printed on t-shirts for them and their sibling. Please refer to the attached poster for further information.

New Build Update

Work continues on the school new build. The project is currently on schedule. Contractors are preparing the ground to start the foundations next week.
