### World Oceans Day 2020

This week Indigo Class enjoyed learning about World Oceans Day. Pupils took part in a sensory exploration of different ocean animals and also explored an arctic ocean with the help of a story. The pupils enjoyed exploring shells, starfish, jelly for jelly fish and even their own mini icebergs. Pictured below are pupils Katie, Olivia and Teri enjoying the sensory ocean exploration.

### Learning from home

Lots of pupils have been busy working at home as well as in school. This week, Charlie from Jade Class has planted his own cress head called Steve. We can't wait to see Steve's hairstyle! Well done to all the parents/carers who are supporting their children with Tapestry on-line learning activities. It's wonderful to receive your updates.
