Willoughby Academy Staff Praise Cards

Pupils were invited to submit a design for the Staff Praise Card Competition. Judges from Cummins Generator Technologies have chosen the following designs. It was a difficult process as there were so many wonderful pictures to choose from. Each design will be printed onto postcards. Staff will be able to thank colleagues and offer praise by sending these beautiful cards. Thank you to everyone who took part and to Cummins for judging and sponsoring the cards. We look forward to using the Staff Praise Cards in the new academic year.
