

### Forest School – Jade Class

This term, Jade class had their first forest school session of the year and enjoyed every moment! They learnt key survival techniques, like how to start a fire and how to build a shelter, using fantastic teamwork!

### Reminder for Parents/Carers

Can we politely remind Parents and Carers when school calls to notify their child is unwell and needs collecting from school, it is important that they have arrangements in place to enable effective and timely collection. This enables school to control the spread of such bugs and virus'. This is especially important for pupils in school with a compromised immunity. If you are called, this is a decision school staff have taken in the best interests of your child and would not make this decision without careful consideration. Thank you for your co-operation.
