

RAF Visit

Last week, pupils in Tiger Lily and Venus Flytrap were visited by the RAF. The classes created rockets and blasted them high into the sky. Pupils worked hard on their individual designs before taking turns to use the rocket launcher, which sent them 30 to 40 feet in the air. Pupils were amused, as many rockets landed on the school roof or in neighbouring gardens. All pupils received a gift from the RAF for their hard work.

Shrove Tuesday

Pupils from Protea Class took part in a flippin awesome activity! They raced against each other carrying their pancakes in a frying pan. They were then tasked with the challenge of flipping the pancake as many times as possible in 40 seconds. The winner with an amazing 46 flips was Alfie, followed by James with 26, then Luke in third place with 21. Everyone enjoyed the task and wrote a poem in literacy. The best part of the day was tasting the pancakes!
