Photography Workshop

Pupil, Jessica Wilson, has been attending a Photography Workshop with Mark Anderson (a competition winning photographer supporting school from Cummins). Jess has been learning how to use various functions on a digital camera to take photographs. Photography is an area of interest Jess identified through her Vocational Profile and we look forward to seeing her develop this skill further. Here's a beautiful example of Jessica's photographic skills.

Cherry Blossom Update

Cherry Blossom pupils have made jungle art this week with craft and natural materials. Pupils used and explored autumn leaves to make a lion and used fine motor finger painting skills to create other jungle animals and plants. We have used this art work to make a jungle display for Cherry Blossom classroom.
