I had an amazing experience cycling 174 miles from Ravenglass (Glannaventa Bath House) to Southshields following the Hadrian's Wall cycleway. The scenery was picturesque & I was smiling throughout the whole trip". LICMF Music Workshop

On Thursday 13th September we were lucky enough to have two musicians come to perform for us. Esther Ward-Caddle, Cellist and Nicole a pianist. Unfortunately, we do not have a suitable piano, so Nicole could not accompany Esther but she did a brilliant job of introducing the music and getting us to join in. Our students were conducting the audience and the cellist. It was brilliant to see. Both Lower and Upper School were able to attend the workshops. I can truly say the opportunity to hear a musical instrument such as a cello played live was enjoyed by many. Thank you, Esther and Nicola for making it such a special event. We are now looking for an upright piano, preferably a Yamaha or something similar that can be tuned. If anyone can help us with this, please can you get in touch. Shani Storrie.
