Willoughby Weekly

Friday 3rd February 2023

Daffodil Class

This week Daffodil class have been learning about Willoughby Values and have made a collage which is displayed in their classroom to help remind them of the values.

National Careers Week

Willoughby is delighted to be taking part in National Careers Week on the 6th to 10th March. During this week our aim is to

support pupils to develop an awareness and understanding of the jobs people do and develop an excitement about possible future pathways. Last year, we were delighted that a number of parents came into school to talk about their jobs. If you feel that this is something you would be happy and able to support us with, please contact your child's class teacher to arrange a suitable time and date during careers week.

Sensory Library

The Linkage Sensory Library gives families the opportunity to borrow sensory resources to trial at home for 6 weeks at no cost. This is particularly useful for people thinking about buying sensory equipment and would like to see if it is beneficial before purchasing. Please have a look through the attached catalogue where the contact details to request equipment loans can also be found.

Work Experience - Food Technician

Diontie is working hard at his work experience. He remembered so much this week, as he entered the room he washed his hands, put his apron on and went straight to check the temperatures of the fridge and freezer. He had remembered what they needed to be on. The rest of his time was sorting the washing, grease proofing trays, organising drawers and cupboards and doing lots of cleaning. I am so proud that he also came into Sunflower Class and helped pupils during their lesson. He is an asset to any group he works with. Keep up the good work Diontie!
