Food Technology Update by Alison

Snapdragon and Protea Class were fortunate to have Lee Oleksow from Cummins in their Food lesson last week. Lee showed them how to joint a whole chicken, develop their skills in fresh pasta making and create a fresh nut free pesto. Budgeting and sustainability were hot on the topic for discussion. The pupils were keen to have a go with every aspect of the lesson and asked and answered some very relevant and curious questions. Their enthusiasm, interest and behaviour were fantastic, and I was so proud of every single one of them. Well done to them and a very happy half term to you all.

Ideal School Meals – Ordering Reminder

Happy Half Term

We have had an incredibly busy term and have been delighted with the way our pupils have approached many different activities and experiences. These activities have included: sailability, experiencing the armed forces, competing in a Pepsico challenge, cooking with Cummins, visiting SENSE, bricklaying and plastering at Grantham College and celebrating the Coronation. We are now all ready for a rest as we prepare for next term's school trips, sports day, the school concert and many more exciting activities.

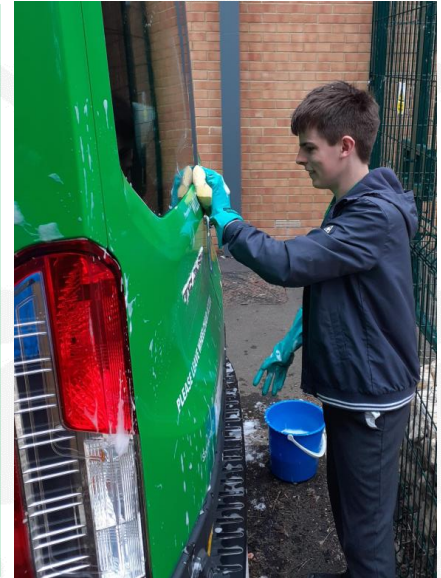

Protea Class

Protea pupils have been working really hard on creating Viking diary entries this term. They have learnt about the raid on Lindisfarne in 793AD, and have written their own diary entries from the perspective of one of the Vikings during the raid. They spoke about why and how they attacked Lindisfarne and what was stolen. Vicki read each diary entry and has awarded all pupils with a Headteacher's award for their efforts.

Work Experience

Update from Dave Conlon Site Manager, Liam and Luke did very well on Monday. It was Luke's first time washing a vehicle. Luke followed instructions perfectly and was very enthusiastic, he worked well with Liam. Liam has washed his parents' cars before, his attention to detail was commendable. Liam worked well with Luke and followed instructions to the letter. A positive start for both.

We hope you all have a restful half term holiday and look forward to seeing you back in school on Monday 5th June.
