### Ladies in Pigs

Last Friday Protea and Snapdragon Classes were fortunate to have Debbie from 'Ladies in Pigs' educating them about The British Red Tractor assurance scheme. She brought a whole host of fresh produce with her as well as her kitchen van. The pupils were so curious during the course of the day, asking lots of interesting questions about Debbie's line of work. They blew her away with their knowledge and wisdom of food and science and she praised them for their enthusiasm for each task undertaken. Debbie said Willoughby young people were the politest she had come across in any school. I was so very proud of them.
