### Weekly Bus Trip to Stamford

Academy 2 have enjoyed their second week catching the Delaine Bus to Stamford. Each week the students practice their road safety skills by walking into Bourne town centre. From here, they independently flag the bus down and go through the boarding process by greeting the bus driver and asking for the ticket or showing their bus pass. Once sat down, we all enjoy the ride to Stamford taking in the scenic views. When in Stamford the students have the opportunity to practice their money and social skills in either the shops or a cafe. This has been an exciting and valuable opportunity for the students to become more independent out in the community, the students are already looking forward to next week's outing.
