

Willoughby School

Willoughby Weekly, Summer Term 1

Friday 24<sup>th</sup> May 2019

### Football Supporter of the Year

Last Saturday night, Ben from Red Base was presented with 'Supporter of the Year' at the Deeping United football presentations. Ben received a trophy and a trip to Colchester Zoo and an experience to meet the elephants.

### Football Tournament Update

On Tuesday, the school football team took part in the PAN Disability football tournament at the ABAX Stadium, home of Peterborough United. The team got off the coach in high spirits, putting their recent training and team bonding to good use by warming up fluently.

The team's captain, Sam, and vice-captain, Luke, inspiring the team to fourth place. With some good dead ball work from Thomas, some controlled footwork from Ryan, fearless goalkeeping from Finley and fans favourite Ben spearheading the midfield. Sam showing great flexibility in goal, defence and attack. Luke backing his captain up with stout defending and 5 goals including a hat trick finished off with an Aguerro-esque left footed rocket into the top corner.

The management would like to thank the fans who travelled from afar today for a spirited backing of this group of young, up and coming footballers. The football team arrived back into school with beaming smiles and individual medals, well done Team Willoughby!

### After School Club

Please be aware that Wednesday 22<sup>nd</sup> May was the last day for After School Club this academic year. There will be no After School Club next term due to staff shortages, but it is hoped that this will be resolved from September 2019. We hope your child has enjoyed their After School Club experience this year.

### Request for spare sun hats

Do you have any spare/unwanted sun hats? Early Years Classes would gratefully receive sun hats that you no longer need, to be used as spares. Please send them into school for the attention of the School Office. Thank you.

### Bourne Rotary Club Art Presentation

On Wednesday evening, the Rotary Club Art presentation took place in Bourne Methodist Church. Pupils Lewi from Purple Class and Jay from Turquoise Class were presented with cash prizes. Congratulations to Lewi and Jay.

### Cummins Volunteers – Gardening Project

Today we welcomed 20 employees from Cummins to school. This is part of Cummins Worldwide Community Help Programme, they each spent time doing gardening and maintenance jobs. Joining them were a film crew who interviewed one of our pupils and filmed the volunteers in action outside of the playground areas. Cummins are a huge supporter of the school and for this we are very grateful. Thank you to everyone involved.

### Ideal School Meals Message
