

Willoughby School

Willoughby Weekly, Autumn Term 1

Friday 21st September 2018

WILLOUGHBY SCHOOL GOVERNING BODY - STRATEGY AND VISION 2018 - 2021

The following principles are the core drivers that have been agreed by the Willoughby School Governing Body to support the Schools future vision in providing an excellent educational setting for our children, parents, carers, staff and partners associated with the school.

- ❖ The Governing Body will promote within School a happy and safe environment, where children learn to be independent, to develop their communication skills and where each child is able to progress to achieve their full potential.
- ❖ The Governing Body are fully committed to supporting the Local Authority's future vision of developing the model of 'All Needs' local educational provision to children with additional needs; working with the Local Authority to develop strong links with all stakeholders to provide outstanding standards of education to our children.
- ❖ The Governing Body are committed to supporting the school with maintaining no less than 'Good' in its next Ofsted inspection through the provision of 'Outstanding' education and support to all children who attend the school.
- ❖ The Governing Body will promote the ethos of being part of the Willoughby community; ensuring the school provides an educational environment where individual needs are the most important, where children are treated as individuals with personalised services adapted in line with the requirements of the National Curriculum.
- ❖ The Governing Body will promote the inclusion of Willoughby children within the local community, working in partnership with local education providers, support groups, businesses and charities, to ensure our children are ready for life beyond Willoughby. We will support our children in being more visible in the community, ensuring they undertake meaningful daytime activities and events from which they can learn from.
- ❖ The Governing Body will encourage local community involvement in the School by encouraging them to become actively involved in a wide range of School events and to support fundraising for resources that will benefit our children.
- ❖ The Governing Body will ensure all Governors and Senior Leaders are committed to their roles, possessing high levels of knowledge and skills obtained through relevant training. Governors and Senior Leaders will be prepared to learn and demonstrate strong leadership and governance skills in being able to challenge for continued improvement.

- ❖ The Governing Body are committed to parents and carers being actively involved in their child's progress and providing appropriate support, training and awareness sessions and signposting to other agencies that may be able to help and support them where required.

Willoughby School Vision Statement

“To inspire every child to achieve excellence in their learning and personal development through creativity and innovation in a happy and safe environment.”

NHS Flu Vaccination Letter – Reminder

A letter was sent home to all Parents/Carers last week informing you about your child's annual flu vaccination. The vaccination date is **Thursday 11th October**, this will take place in school. Please follow the instructions detailed on the letter, click on the following link to complete the online form to either **consent or decline** the vaccination for your child <https://www.lincolnshireimmunisations.co.uk>. You will need to enter the following code to ensure the completed form can be correctly allocated to your child's school: **EE120763**. If you have any queries please contact the **NHS Healthcare Team on 01476 590805 (Option 5)**.

Student Update Form

Thank you to parents/carers for completing the student update form and returning to school. We still have a number of forms outstanding, these were sent home with pupils last week. Please can you review the forms and make any amendments. Please sign and date the back of the form even if no changes have been made. Please return the form for the attention of the School Office, as soon as possible, thank you.

Yellow Class Materials Required

Yellow Class are learning about space this term and are about to start a practical space project. In order to do this they are asking if Parents/Carers have any spare shoe boxes and empty 2 litre plastic bottles. Please can you send these items into school, thank you.

Turquoise class

Turquoise theme for this term is 'The Circus is in Town'. Students have the opportunity to explore objects associated with the circus and role-play being a clown. The water sprays and funny wigs are very popular.
