

Community Engagement Meeting

On Thursday afternoon a Community Engagement meeting took place in school from 15:30 – 17:30. Thank you to the parents, carers and local community who attended. Plans for the new building at Willoughby were on display including the internal layout and visualisations of the exterior as shown in the photo. The feedback from all who attended was hugely positive in supporting the proposals, ensuring the needs of the local community can be met at Willoughby.
