Welcome

Well, what an amazing summer we have had with the beautiful weather. I hope you all enjoyed getting out and about. We cannot wait to hear what everyone has been up to. Please upload photos on Tapestry so we can share them in class.

This term our topic is...
My home and future

Curriculum

As we settle back into a busy term we have lots planned. We will resume swimming and sailing this term which are always firm favourites.

Our focus in maths this term is money and we will be using the skills we learn in class out in the community with our visits to the charity shops and supermarkets.

PSHE this term sees us explore being kind and celebrating our differences as well as working on what our future aspirations are.

During our communication lessons we will be working on our comprehension using Clicker and communication aids to offer our opinions and answer questions.

Our enterprise work this term will see us using our woodworking skills to make some freestanding reindeers ready for the Christmas Fayre.

We will continue working on a range of life skills in the independence room.
