Welcome

Welcome back, we hope you've had a wonderful summer holiday and are ready for the new academic year! During this term Cedar class shall continue to keep you informed and share our news and photographs on Tapestry. It is always wonderful to see posts from families and share with the class.

This term our focus is...

The Dancing Tiger. By Malachy Doyle

Curriculum

During our communication and PSHE sessions we continue to share our voices and gestures whilst exploring our body and experiencing our body awareness sessions.

Our topic this term is 'You've got a friend in me!'. We will engage our senses whilst encountering sensory experiences with our friends and thinking about how we spend time with our families. We will experience light sources, encounter familiar sounds in school and at home, also engage with textural experiences.

We shall be sharing our focus story 'The Dancing Tiger' during our sensory story sessions. This is a special poem that explores aspects of the seasons whilst friendships are created.

We will take advantage of the autumnal weather and spend time outside exploring our natural environment during our horticulture sessions. We are looking forward to exploring our trampoline that has been installed, it's very exciting!
