Welcome

We hope you have all had a wonderful summer holidays. We are all raring to go and start the new term in Monkey Puzzle class.

This term our book is...

Curriculum

This term our topic is 'You've got a friend in me', a great topic to start with. Our story 'Rainbow Fish' will help us to explore feelings, friendships and the value of sharing. This will feed into everything we do across the curriculum. In maths we will focus on place value and learn how to use the maths station in class to help us be independent learners. We are very lucky that this term we have dance on a Wednesday with Chloe, and Forest school on a Thursday with Dave.

We will embed our phonics and language programme throughout day.

Amy will cover on a Wednesday teaching PSHE and Science. We will focus on the human body and explore names of parts of the body and learn how to label them.

Don't forget fruit for snack times please!

Look out on Tapestry for more detailed information about reading books and how this will work this year.

Whole School Diary Dates

| | |
|------------------------------------|-------------------------------|
| Friday 19 th September | NHS Flu Vaccinations - pupils |
| Tuesday 30 th September | School Photos |
