Welcome

Welcome back 'Redwood' and a big warm welcome Jon-Pall! We hope you all had a fantastic break and are ready for a long but fun half term!!

This term our focus is...

Curriculum

This half term our theme **is all about me and my home**. We will learn about different types of accommodation, rooms within a home and the different life skills associated with maintaining a home. Our main focus in maths, will focus around money skills, however there will also be opportunities to develop our other functional skills of number, time and measure too.

We are very excited about swimming sessions starting up on Monday afternoons- again forming part of our Duke of Edinburgh award. We also look forward to testing out the new outdoor trampoline and it just so happens to be right outside our classroom!

Our lucrative enterprise scheme will also be up and running soon, beginning with bacon baps (yes, we've done this, but it's easy money ha ha)!! After our successful plant shop, PFA have decided they want to develop a gardening area so our profits will be put towards this.

In PSHE we will learn about individuality and differences, alongside a personal development unit.

Our weekly sessions of food and nutrition, forest school and art will continue.
