

Food and Nutrition

Autumn 2

2025

Alison

Welcome back everyone. This term is going to be a busy one and before we know it, it will be Christmas. Thank you once again for the generous donations to Bourne Food Bank, they were very grateful.

This term our topic is
Rumble in the Jungle

Curriculum

During Food and Nutrition lessons this term we will be making products relating mainly to the Jungle theme.

Depending on the class, dishes which will be made are: - plant based soups, lots of salads, jungle animal related dishes and pastry products. December will focus on Festive cooking, especially for our end of year Fayre and some classes will take part in the Festive Cake Competition.

We will be developing our independent skills and our practical skills as well as numeracy, literacy and scientific enquiry skills. Of course, we will keep on developing our love and enjoyment of cooking and being in the kitchen. Another busy and exciting term lies ahead and I cannot wait to get started.

Thank you always for your continued support.

Please can pupils continue to bring a named container to their Food Lessons to take their cooking home in. Please log into your ParentPay account where a payment item has been raised. We would appreciate it if you could make a voluntary contribution, thank you!

Please keep posting any of your home bakes on Tapestry. I very much enjoy looking at your creations. Thank you so much for supporting this at home and please continue to do so. Cooking for other people I believe is one of life's real pleasures and enjoyment.
