Curriculum

This term Monkey Puzzle class are involved in a personal, social and emotional development project. We will explore this through a range of wonderful texts starting with 'In my heart'. The children will meet Ollie the octopus who will help the children to express their feelings and think of how it makes their body feel. Please look on Tapestry for more information on this soon.

This term Nikki will lead on a Wednesday and take the children through phonics and exciting science opportunities. Dance will also continue with Chloe and Forest school with Dave.

In maths we will explore number, addition and subtraction.

Please can I ask that reading folders are returned every Monday to change library sharing books and reading focussed books.
