Welcome

We hope you all enjoyed your break and we are looking forward to a busy term back together in the run up to Christmas. We have several fun activities planned including STEM days and church performances.

This term our book is...

Curriculum

This term in Rowan Class we're diving into an exciting new book: "The Last Firefox" by Lee Newbery. Building on what we learned last term about verbs, adjectives, and nouns, we'll be getting creative by designing our own characters and settings inspired by the story.

In Maths, we'll start by strengthening our number bonds to 10 as we work on addition and subtraction. Later, we'll explore measurement: looking at length, height, and mass.

After last term's success with desktop publishing in Computing, we're moving on to photo editing, looking at components including the colour and placement of images. In Science, our focus will be on habitats and how living things are classified.

Alongside all this, we'll continue our weekly community visits and enjoy plenty of Art and Cookery sessions. It's going to be a busy and exciting term!

Whole School Diary Dates

Keeping in touch

Please continue to use the home school book or Tapestry to inform us of any important information relating to your child. We will check it every day but please log into Tapestry for your daily class update. Don't forget to add any home experiences to Tapestry as this provides us with a valuable link to home.

Any absence or to notify us of a medical appointment or for general enquiries please email: willoughbyenquiries@prioryacademies.co.uk
