Welcome

Welcome back to a busy term. It won't be long until we start preparing for the dreaded "C" word. We will try and hold off from mentioning it for as long as possible!

This term our topic is...
My home and future

Curriculum

As we settle back into a busy term, we have lots planned. We will resume swimming this term and dance with Chloe.

Our focus in maths this term will continue to be money and we will be using the skills we learn in class out in the community with our visits to the charity shops and supermarkets.

PSHE this term sees us explore what our future aspirations are.

During our communication lessons we will be working on our comprehension using Clicker and communication aids to offer our opinions and answer questions.

Our enterprise work this term will see us using our woodworking skills to make some freestanding reindeers ready for the Christmas Fayre.

We will continue working on a range of life skills in the independence room.
