Welcome

Happy New year! We hope you have all had a wonderful Christmas break together full of fun family memories.

This term our book is...

Curriculum

This term our school topic is 'Feel the force'. We will explore all weathers in our science lessons. We will measure the rain in maths and look at patterns.

Our PSED project continues with a book called 'My monster and me'. We will incorporate our interoception curriculum and think about how our body can feel with different emotions. We will explore the text 'The wind blew' which links nicely with our science.

This term we return to the swimming pool!
Please check Tapestry for further info!
