Welcome

Welcome back, and Happy New Year!

We hope you all enjoyed a wonderful Christmas and had the chance to relax and recharge after a busy and productive term.

This term our focus is...

Curriculum

This term, we're setting off on an exciting new adventure into the world of arts, crafts, creativity, and construction. Together, we'll explore a variety of skills and techniques, discover how they connect to real-life careers and hobbies, and learn practical aspects of home management. We're diving into an exciting new series of OCR units, focusing on Arts and Crafts and meal preparation.

Over the next term, we'll explore different forms of creativity, design an art project, construct our artwork and to celebrate our hard work, we're planning an Art Gallery Afternoon in PFA, where pupils will showcase their amazing creations to friends and family.

In PSHE we will learn all about our bodies, including consent. Our focus in maths shifts from money to measurement. Swimming continues for those who have opted in.

We've also got some fantastic trips lined up, including visits to colleges, an art gallery, and more exciting destinations to be confirmed soon!
