Welcome

We hope you all had a wonderful Christmas break, both exciting and restful! We're looking forward to welcoming everyone back and getting stuck into lots of fantastic learning this term.

This term our book is...

Curriculum

The topic throughout the school this term is 'Feel the Force' we will encompass this in our class book: George's Marvellous Medicine, in English we will be looking at the key vocabulary and the context of the book to support our comprehension. In maths this term we will be focusing on measurements, including length, mass and volume. We'll learn how to take accurate measurements and compare them.

We will be looking at keeping ourselves safe online in PSHE, a vital topic with our shared love of gaming. In Science, we'll be investigating forces and magnets, carrying out fun experiments to test different materials and their properties. We are really enjoying our Computing sessions and this term we will be looking at programming sounds and images. This term we will be continuing our music sessions with Andrew, and after the success of our Christmas performance we are excited to see what songs we play next.

Weather dependent we will continue our weekly community trips as well as our weekly cooking and art lessons.

Whole School Diary Dates

W/C 26 th January	Reading Week
Friday 13 th February	End of Term
