Welcome

Welcome back, we hope you've had a restful half term break! During this term Cedar Class shall continue to keep you informed and share our news and photographs on Tapestry. It is always wonderful to see posts from families and share with the class.

This term our focus is...

The Secret Garden by Frances Hodgson Burnett.

Curriculum

During our communication and PSHE sessions we will continue to explore the importance of keeping healthy and safe. We share our voices and gestures whilst exploring our body and experiencing our body awareness sessions.

Our topic this term is 'How does your garden grow?' We will explore our local environment; focusing on aspects of wildlife, seasonal plants and how the weather change during springtime.

We shall be sharing our focus story "The Secret Garden' whilst developing an awareness of the classical story whilst engaging in textures, sounds and light sources.

During this term we will be looking forward to our British Science Week activities. The focus this year is 'Curiosity, what's your question?' During this time, we shall be engaging with sensory stimuli whilst exploring the world around us. We will be busy taking part in Careers Week too!

We will look forward to accessing the trampoline (weather permitting) and continuing our spa sessions.
