Cherry Tree Class Staff

Welcome

We trust you all had a good break and are looking forward to some warmer, sunnier days!

This term our book is...

Curriculum

This term, our topic is “How Does Your Garden Grow?” We will be exploring our text, *Luna Loves Gardening*, as we learn about growing flowers, fruits, and vegetables. Along the way, we’ll be practising important positional words such as “in,” “out,” “on,” and “off,” as well as lots of gardening vocabulary.

Using symbols, communication boards, colourful semantics, our voices, and AAC devices, we will continue to develop communication skills in meaningful and engaging ways.

We have an incredibly busy and exciting term ahead!

Careers Week will include visits from a window cleaner, police officer and a lollipop man, school crossing patrol officer, as well as a trip to a garden centre.

Science Week follows shortly after, with lots of fun experiments planned to wow and amaze us all.

And of course, World Book Day is coming up—so get those outfits ready for **Friday 6th March!**

Dance with Chloe continues this term, which we absolutely love.

🌲 As part of our science work, we will carry on with our weekly trips to the woods to explore nature and the world around us. We’ve particularly enjoyed discovering the small clearing to explore together.

🛒 We will also continue walking to Tesco to purchase items for our Fun with Food lessons.
