Welcome

Welcome back to Spring 2. We hope you had a lovely half term. We are planning for another busy term ahead. This term will see us getting out and about in the community walking to Tesco as well as, hopefully, taking advantage of the warmer weather to get outside planting as we explore our new topic 'How does your garden grow'.

This term our book is...

Curriculum

In literacy this term our story is 'Jack and the Beanstalk'. We will develop our communication and vocabulary linked to the topic as we explore lots of different sensory activities. We will also use our life skills to make different sandwiches just like the giant in our story!

In numeracy our new topic is 'money and fractions'. On a Tuesday we will be walking to Tesco to buy snacks ready for a tuck shop on Friday. Students will get real life experience of exchanging money as well as developing understanding of 'sharing' through preparing the tuckshop.

In science we will be exploring planting. We will look at different flowers and observe changes as we grow our own plants.

This term we have Careers Week in which we will learn about a range of different jobs including having a visit from a lollipop man. We also have Futures Fayre and World Book Day to look forward to!

Whole School Diary Dates

Please refer to the attached document detailing Whole School Diary Dates.

Food and nutrition – Please log into your ParentPay account where a payment item has been raised and we would appreciate it if you could make a voluntary contribution.

Key Class Information

Tuesday	Out and about in the community
Wednesday	Art, Cookery, and Forest School

Keeping in touch

Please use the home school book to inform us of any important information relating to your child. We will check it every day but please log into Tapestry for your daily class update. Don't forget to add any home experiences to Tapestry as this provides us with a valuable link to home. Any absence or to notify us of a medical appointment or for general enquiries please email: willoughbyenquiries@prioryacademies.co.uk
