Oak Class Staff

Welcome

Welcome back Oak class! We hope you managed to enjoy half term, despite all the rain! We are looking forward to a sunnier term back in Oak class.

This term our topic is: 'How does your Garden Grow'.

This term our book is...

Curriculum

This term we are excited to explore our new sensory story 'Meg's Veg'. The children will have opportunities to feel, smell and investigate a variety of vegetables as they engage with the story through hands-on experiences.

Our maths topic is 'Money and Shopping', and we will be learning through practical role-play shop activities and tuff spots.

We are also looking forward to a busy term of special events, including Careers Week, World Book Day, and Science Week.

A highlight of the term will be our weekly Forest School sessions which are returning, where we can encourage confidence, independence, and a love of the outdoors through exploration of natural materials and the environment. Dance with Chloe will continue to be a favourite part of our week, and with the warmer, sunnier weather on its way, we will be making full use of our outdoor spaces for learning and play.
