Spring term 2 Newsletter

2025-2026

### Rowan Class Staff

### Welcome

We have an exciting term ahead. Our jam-packed Careers Week will include several visitors coming in to talk to us about their jobs. We'll be exploring the skills linked to these roles, as well as the work experience placements we have available. We also have Science Week to look forward to, along with our Easter church visit.

### This term our book is...

### Curriculum

Our theme this term is 'How Does Your Garden Grow?'. In science, we'll be learning about the properties of plants and why they are so important to our world.

In English, our book *How to Teach Grown-Ups About Climate Change* links perfectly with our focus on instructional writing. We will be identifying key features of instructions before progressing to writing our own set of instructions on how to protect our environment.

In maths, we will be concentrating on fractions and money. Our PSHE lessons will explore positive body image and personal hygiene. In computing, we will be working on using word processors and becoming more confident with their different functions.

We will continue to enjoy weekly cooking and art lessons with Alison and Lily, as well as our community visits on Fridays.

### Whole School Diary Dates
