### Welcome

Hello everyone! We are excited to be back in school and are keeping our fingers crossed for some brighter weather to come our way during this term. Although it's a fairly short term, it is going to be a jam-packed one, culminating with our Easter Service. We hope to see many of you there.

### This term our Story is based upon...

### Curriculum

This term sees us focus our learning around the topic: 'How Does Your Garden Grow?'

Our Sensory Story will focus on exploring how the worm in the book engages with its' surroundings, the other animals he encounters and how he is able to help the garden and the items that grow within it.

We are commencing our Forest School sessions with Dave on a Thursday afternoon. As well as having some trips to Tesco on the agenda, in order to allow us to experience using money to pay for things in the community.

We also have Careers Week and the Futures Fayre, World Book Day and Science Week upcoming too. So we will be busy, busy, busy!!

### Whole School Diary Dates
