### Welcome back, Holly Class!

We hope you all had a wonderful and refreshing Easter break and are feeling ready for an exciting new term ahead. Although this is a shorter term, we have plenty to look forward to and lots of fantastic learning planned. With the days getting brighter and (hopefully!) warmer, we're especially excited about the chance to take some of our learning outdoors and make the most of the improving weather. It's going to be a busy, fun-filled few weeks!

### This term our book is...

We've got a really exciting term ahead, packed with fun opportunities to build our communication skills!

In PE, we're thrilled to be starting football sessions with Sam in the hall! These sessions will be full of energy and fun, helping us develop teamwork, coordination, and of course some brilliant football skills.

In Maths, we'll be diving into the world of daily events and time, as well as becoming data experts! We'll be learning how to create tally charts and pictograms to collect and present information in exciting ways.

Science is going to be full of experiments! We'll be mixing colours to see what we can create, listening carefully to different sounds, investigating forces, and exploring a variety of materials.

In Literacy, we'll be exploring the beautiful book 'Dear Earth'. We're also going to try out a brand-new activity to help boost our comprehension skills in a fun and engaging way.

We'll also be introducing ICT games on the big screen, where we'll work together as a team to solve challenges, learn new skills, and have lots of fun along the way.

It's going to be a fantastic and we can't wait to get started!
