Curriculum

This term our school topic is Swords and Sandals, however in Monkey Puzzle we are going to focus our class book around our continued PSED project. The pupils have responded so well to the project and learning about feelings through stories.

In Math's we will be learning about telling the time. We will look at our routines and the order of the day, and focus on O' clock to begin with.

In science we will learn about different materials. We will revisit floating and sinking, incorporating materials and look at changes that happen.

We will continue to practice our writing and phonics skills, initially writing about our Easter Holidays.

We welcome a new sports coach, 'Coach Sam' this term and we begin our turn using the new school trampoline.
