Welcome

We have no doubt this term will go by quickly with it only being 5 weeks! But rest assured we have lots to fit into this time, including commencing Dance sessions with Chloe on a Wednesday afternoon. This does mean no Spa for the time being but the rave reviews we've had about Dance sessions mean we are excited for these to start!

This term our Story is based upon...

Curriculum

This term we are focusing upon the topic: 'Swords and Sandals'. This will lead us off on many learning adventures, including: exploring Vikings in our Sensory Story, thinking about Romans as part of our 4D Room sessions and considering what materials are best for different Pirate items in our science work.

Our Cognition and Maths learning will see us focus upon Time and Data Handling opportunities.

Within our PE sessions, we are continuing to carry out a short Physibods at the start, followed by some Athletics activities. These will culminate in our upcoming Sports Day later in the term! We hope we will see some of you on this day. 😊
