### Welcome

Welcome back to the final term of the year. We hope you have all enjoyed the glorious weather last week.

This term our topic is...  
ICT and Media

### Curriculum

As we settle back into another busy and exciting term, we have plenty to look forward to. Some pupils will have the opportunity to continue their sailing sessions, alongside our regular swimming sessions and visits within the local community.

In PSHE this term, we will be focusing on understanding our emotions as well as learning about internet safety. Our maths work will centre on time, while continuing to develop our functional skills through practical activities involving money and measuring.

With the Summer Fayre fast approaching, our attention will turn to our enterprise project, where we will be preparing items to sell.
