Summer term 2 Newsletter

2026

Elder Class Staff

Welcome

Welcome back to the last term of this year! Our topic this term is 'Ready. Steady. Go!' We will also have our class trip this term and Science week to look forward to.

This term our book is...

A range of sports related books, newspapers, magazines and interviews.

Curriculum

Our topic focus will be sports based this term and we will be inspired by stories of great team work, determination and how to deal with successes and failures in a positive way.

In our English lessons we will be reading and writing newspaper articles, biographies and motivational team talks.

For maths we will be using our data handling skills to make tally charts, pictograms and bar charts. With our warm up games at the start of each lesson, we will revise the learning from the year. With Chloe, we will be learning about position and co-ordinates, with some practical map reading and following directions.

Electricity will be the focus of our science lessons and we will be making and testing circuits, switches and conductors.

In PE we will be continuing our teamwork theme by creating routines with a partner.
