Welcome

Welcome back to Summer 2. We hope you had a lovely half term. We are planning for another busy term ahead.

This term our topic is 'Ready, Steady Go!'. We will hopefully, take advantage of the warmer weather to get outdoors and into the community including walking to the park.

Curriculum

In literacy this term our story is 'The Wild Robot'. We will develop our communication and vocabulary linked to the topic as we explore lots of different sensory activities.

In numeracy our new topic is 'Problem solving' we will be using key skills to help us solve addition and subtraction problems. We will also be continuing our Friday tuck shop - this has been a big hit with the students!

In science our new topic is 'How to make it move'. We will be conducting different experiments to see different ways we can generate movement.

In PSHE we are learning about how are bodies are changing and self awareness. We will be reinforcing our bodies are private and personal space. It's ok to say 'NO'.

This term we also have our class end of year trip, which we are very much looking forward to.
