Welcome

Welcome back to the final term! As the excitement for summer builds, we have lots to look forward to, including our class trip (more information will follow) as well as a few community visits involving bus journeys and the Summer Fayre! We also have several exciting topics to explore.

This term our book is...

Curriculum

In English this term, we will be developing our speaking and listening skills. These will help us take part in discussions on topics that matter to us, as we practise planning our arguments and confidently sharing our opinions. In Maths, we will be looking at data handling before moving on to word problems.

Our PSHE topic this term is puberty. The pupils have already identified areas they would like to learn about, including how our bodies change and periods. Now that everyone has received their bus passes, we will be travelling a little further afield on our community visits. We will also be working on understanding bus timetables and building our independence when communicating with members of the public.

We will continue to have both Dance and Forest School on Wednesdays. Please ensure your child comes in with a change of footwear (wellies or old trainers) and waterproofs. Cooking and Art will also continue to be highlights of the week!
