Welcome

Welcome back everyone, we hope you've all had a lovely break.

We can't believe this is our last term of the academic year! We are ready to get stuck in with our whole school topic, 'Ready, Steady, Go!'

This term we will be reading...

all about different sporting events!

Curriculum

In English, we'll be continuing with the non-fiction genre as we learn all about different sporting events. We'll be using our Colourful Semantics to write reports about the different events.

In Maths our focus this term is on problem solving. We'll be recapping learning from across the whole year, and applying it to solve real-life problems.

As well as continuing our gardening, in science we will be looking at forces and magnets!

In PSHE we will be thinking about why it's important to listen to other people and linking this to respecting other people's opinions and consent.

Within PE lessons we will be learning about, and practicing, yoga.

This term we are also excited to have more sessions in Forest School with Dave.
