Welcome

Welcome back, we hope you've had a wonderful summer holiday and are ready for the new academic year! During this term Cedar Class shall continue to keep you informed and share our news and photographs on Tapestry. It is always wonderful to see posts from families and share with the class.

This term our focus is...

A house that once was by Julie Fogliano.

Curriculum

During our communication and PSHE sessions we continue to share our voices and gestures whilst exploring our body, experiencing our body awareness sessions and thinking about people that are important to us.

Our topic this term is 'Me and my Family!'. We will engage our senses whilst encountering sensory experiences with our friends and think about how we spend time with our families. We will experience light sources, encounter familiar sounds in school and at home.

We shall be sharing our focus story 'A House that Once was' during our sensory story sessions. We will go on an adventure with the characters and think about who might have lived there whilst bringing the story to life.

We will take advantage of the autumnal weather and spend time outside in our natural environment during horticulture and Forest School sessions. We'll also enjoy spending time on the trampoline too!
