Curriculum

This term our overall theme is 'We are family'. In PSHE we will be looking at our ourselves, families and people who are special to us.

Our story this term is 'In every house on every street'. We will be exploring different rooms in the house and what we might find there along with similarities and differences.

In Maths we are exploring number and position and direction. We will be thinking about directions around school and finding our way to different areas.

In Science we will be looking into animals within our community such as pets and farm animals. We will also be exploring the sounds they make and the environment they live in.
