Welcome

Welcome to a new school year. This term our topic is 'We are family'. Kelly will be teaching Mon, Tues, Thurs and Fridays and Vicki will be teaching on Wednesdays.

This term our book is...

Curriculum

We will be introducing our families topic through our class book in our English lessons, looking at how all our families are special and different. Everyone will be making sentences about their families either verbally, using colourful semantics or their own writing. We will also have reading time every day, which may be continuing with phonics learning, the See & Learn program or sharing books with adults.

In maths we are starting off with place value, counting and recognising the amount that matches the digit. On Wednesdays, Vicki will be doing position maths, looking at the meanings of on, off, over, under and following directions such as go forwards, turn left etc.

Vicki will also be teaching science, naming and sorting animals by their body parts, what they eat or their type.

With Kelly we will be doing music; using our voices and body percussion and PSHE; working out what to do when we feel big emotions.
