Welcome

A big warm welcome to you all. We are looking forward to making lots of wonderful memories this term.

This term our book is...

Curriculum

Our school topic this term is 'We are family', and we couldn't think of a better way to start the year. With two pupils joining our school for the first time and eight children joining our class, we will be spending lots of time getting to know one another, building friendships and creating our own class family.

We will explore our families, interests and the things that make us unique, while learning all about our new classroom environment. Through fun, play-based activities, we will learn class routines, develop our independence and practise important skills such as staying safe, sharing and working together. We are looking forward to a wonderful term filled with learning, laughter and plenty of new experiences as we settle into life in our new class.

Whole School Diary Dates
