Welcome

A very warm welcome back to all our pupils and families. We hope you have had a wonderful summer break. This year, we are delighted to welcome four new pupils to our class. We are looking forward to supporting them as they settle into school life and to sharing a happy, fun-filled Autumn term with everyone.

This term our book is...

Curriculum

This term, our topic is 'We Are Family'. We will be exploring this theme through a range of engaging, sensory-rich activities, including our sensory story, 'Elmer', which offers lots of opportunities to experience different colours, textures, sounds and sensory experiences.

We also hope to make the most of the remaining warmer weather by spending time outdoors in our sensory garden, exploring the natural environment and enjoying favourite activities such as the swing, roundabout and trampoline.

Our main focus during the first few weeks of term will be ensuring that everyone feels happy, settled and secure in their school routine. We look forward to getting to know our new pupils, building positive relationships and creating lots of enjoyable learning experiences together throughout the Autumn term.
