Welcome

Welcome back Acacia class. We hope you had a relaxing half term break and are ready for a very busy term! We have lots of exciting things to learn and look forward to, on the build up to Christmas.

This term our book is…

Curriculum

This term in maths we are going to be looking in depth at addition and learning lots about money.

In literacy, we are going to be looking at the traditional tale 'The Gingerbread Man'. We will be looking at the vocabulary and structure of the story. We will look more at what fiction and non-fiction is and continue to work on our grammar. This term we also get to do fun things such as letter writing to a special someone. HoHoHo!

In science we are going to be learning all about light. We will be exploring shadows and conducting experiments to see how light can change or reflect.

In PSHE we will be learning all about rules and how to stay safe online. This links nicely to our ICT this term, as we will be learning about stop frame animations, using an app to help create our own animations.

In addition to the above, we will also be taking part in swimming, football, forest school, art and cooking.

Whole School Diary Dates

Please refer to the attached document detailing Whole School Diary Dates.

Food and Nutrition – Please log into your ParentPay account where a payment item has been raised. We would appreciate it if you could make a voluntary contribution.
