Welcome

Welcome back, we hope you had a restful half term. We have a busy time leading up to Christmas; whilst experiencing signs of autumn and other seasonal celebrations. We will keep you informed and share our news and photographs on Tapestry.

This term our focus is…

An Autumnal Adventure.

Curriculum

During our communication and PSHE sessions we continue to share our voices and gestures whilst exploring our body, experiencing our body awareness sessions and thinking about people that are important to us.

Our topic this term is 'Up the Chimney'. During the session we shall climb aboard a magic carpet and venture up into the night sky whilst exploring aspects of our natural world including the stars. We will also encounter autumnal celebrations; including Harvest, Bonfire Night and Diwali as we move towards the festive season.

During our sensory story we shall experience an autumnal poem. We will explore aspects of autumn including encountering natural materials and listening to familiar sounds in our environment.

We will take advantage of the autumnal weather (weather permitting), spending time outside in our natural environment during horticulture and Forest School sessions. Please send in a coat/jacket for our Wednesday Forest School sessions.
